Work as Worship Livestream Conference: On February 23rd, Twickenham will be a host site for the RightNow Work as Worship Conference. You're invited to the 2018 Work as Worship Retreat, where eleven influential business leaders and pastors will discuss what it looks like to connect faith and work. This conference is specifically for those in the workplace. God has a purpose for us on this earth. How are we living examples of the gospel while we work? You can register or learn more about the event at www.twickenham.org/waw. Cost to attend is \$25.

In the Word in 2018: Using a reading schedule from the Read Scripture app (www.readscripture.org), we are spending quality time reading the Bible daily while learning how to read it with contextual videos from the Bible Project (www.thebibleproject.com). In coordination with this effort, we also have a Wednesday night offering that provides an opportunity for us to discuss what we are reading as we journey through the scriptures. There are printed resources available for pick up in the Fellowship Hall as well as additional information online on the church website.

Save the Date: Secret Church 18- Friday, April 20, 2018 6:00pm to midnight. This year's topic is Cults and Counterfeit Gospels. The apostle Paul was astonished that some followers of Christ in his day were "turning to a different gospel," and he pleaded with them not to be deceived by those who wanted to "distort the gospel of Christ." These warnings given to the church in the first century are just as relevant today for the church in the twenty-first century. "We will consider the claims of Jehovah's Witnesses, Mormons, and other groups that claim to teach the truth. In the end, our goal is to walk away from this Secret Church not only enabled to discern false gospels, but also equipped to share the true gospel with people around us and with peoples around the world. Twickenham will serve as a host site and Livestream this event. If you are interested in attending, please contact Steve Crigger (steve@twickenham.org).
