**Men's Retreat: BAD PLAN. *Four misguided paths every man of God needs to avoid—and what to do instead.*** October 26-28, 2018 | Twickenham Church Men's Retreat | Justin Gerhardt | The Vision Sometimes things go wrong and it was inevitable. But sometimes, things go south because we were working a bad plan. As men, the temptation to craft and cling to a bad plan can be especially tempting. Last year we looked at the life of David - a man after God's own heart. This year we'll continue the trend and look at the fascinating life of King Saul (someone who worked more than his share of bad plans) and explore how not to be like him. Put it on the calendar and make plans to join us on October 26 - 28 at The Vision retreat facilities in south Huntsville.
